

VVSS BULLYING AND HARASSMENT POLICY

STATEMENT OF INTENT

At Valley View Secondary School, **everyone has the right to feel safe, included and supported.**

We strive to provide a **positive** and **professional** learning environment free from bullying, harassment and violence.

Bullying including cyber bullying, harassment and violence, is **NOT** acceptable in our school community and will be dealt with seriously and expediently. This includes incidents that may occur outside of school hours.

At Valley View Secondary School, we work with the school community and other services and agencies to support our students in being responsible and productive members of the community.

The implementation of this policy supports the aims of the [Australian Student Wellbeing Framework](#), which includes “building safe school communities where diversity is valued, the risk from all types of harm is minimised and all members of the community feel respected and empowered.”

Valley View Secondary Students have pledged to:

- *Treat others with respect and kindness*
- *Report bullying and ‘be a better ally’*
- *Encourage others, rather than put them down*
- *Think before they comment on, post or forward messages*
- *Embrace difference*

DEFINITIONS

Bullying

The national definition of bullying for Australian schools states that:

Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.

Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated over time (for example, through sharing of digital records).

Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders. Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

Cyber-bullying/Social Media

Cyber-bullying/Social Media is bullying which uses e-technology as a means of victimising others. It is the use of an internet service or mobile technologies—such as e-mail, chat room discussion groups, instant messaging, web pages or SMS (text messaging)—with the intention of harming another person. Examples include:

- Sending insulting and/or intimidating text or online messages
- Publishing someone’s private information
- Creating hate sites and intentionally humiliating others
- Implementing social exclusion campaigns in social networking sites
- Unwanted or sharing sexually explicit content (images, language, etc.)
- Nasty online gossip and rumours

Harassment

Harassment is behaviour that targets an individual or group due to their identity, race, culture or ethnic origin (racism), physical characteristics, gender, gender identity, sexual orientation, and/or ability or disability, and that offends, humiliates, intimidates or creates a hostile environment. Harassment may be an ongoing pattern of behaviour, or it may be a single act.

Sexual Harassment

Sexual harassment is unwelcome sexual conduct which makes a person (male or female, of the same or opposite gender, same-sex attracted, bisexual or transgender) feel offended, humiliated and/or intimidated, where that reaction to the conduct is reasonable in the circumstances. Sexual harassment can be a single incident, repeated or continuous, direct or indirect, and take various forms.

Homophobia

Homophobic language is any language that uses sexual orientation or sexual identity as a put down. This includes calling someone a faggot, homo, dyke, etc or calling a person, object or situation “gay”: to mean something negative. Homophobic language is harassment as it creates a hostile environment and reduces a sense of safety for students who hear this language even if it is not directed at them.

STRATEGIES FOR DEALING WITH HARASSMENT / BULLYING

There are many ways of dealing with harassment and bullying and each way is different for every individual and/or situation. Some examples are:

- Ignore it and walk away
- Tell the person who is bullying you to STOP. Use a strong and confident voice (assertive) – stay positive
- Try to act unimpressed or unaffected
- If you feel safe, talk with the person who is bullying you to sort out the problem
- If you feel scared, ask a friend to assist
- DO NOT try and get back at them, you can get into trouble too
- Tell a trusted adult as soon as possible and complete a **Student Incident Report Form (SIRF)** *see attached

If it is happening online or your phone:

- DO NOT respond to the messages
- Save/Screen shot any online messages, images and posts and show a trusted adult
- Block the person on the mobile device or social network
- Report to the relevant social media platform ie Facebook, Snapchat etc
- Make a cyber-report using the eSafety Commissioner website: <https://www.esafety.gov.au>
**If the harassment/bullying continues, follow the flow chart on the back page.
