Dear Parents/Caregiver(s)

This letter is to notify you that a subject information evening will be held at Valley View Secondary School on the 29 July 2020 between 5-7 pm.

This event is aimed at providing parents and students an opportunity to listen to a short presentation from the Learning Area Leaders. After the presentation families will have a chance to ask questions about subject offerings, pathways and costs. This is an important chance to better prepare students to make the right subject selections for 2021. This event will provide a background to the course confirmation interviews scheduled for 19 August from 12.30pm – 7.30pm in Building C.

The subject session and times are listed below for your consideration (the green spots are the times the session will run). If you would like to attend the subject information session, please follow the instructions below to book session times you are interested in. Each information sessions is 15 minutes and parents can select the sessions they want to attend.
