Dear Families

The Premier has announced a 6 day statewide lockdown from midnight tonight.

Preschools, schools and childcare centres will close for this period.

During this challenging time, the department has approved the following:

- Thursday 19 November and Friday 20 November – School/preschool closure days
- Monday 23 November and Tuesday 24 November – Pupil free days.

This means students are not to come to Valley View Secondary School for the next 4 school days.

Students have been asked to bring home school laptops/devices, books, and anything they need to continue their learning from home.

Over the next 4 days, I will be communicating with families via email, facebook and our school website which can be located at [valleyview.sa.edu.au/](http://valleyview.sa.edu.au/).

Please take care as we continue to support each other and our students.

Kind Regards

*Yvette Swaalf*

Principal
