# *Uniform*

### Why have a uniform?

- it promotes a sense of belonging and pride in the school and community
- it gives the school a unique identity
- it creates a sense of equity for the students
- it is practical in its application to a wide range of physical activities & weather conditions
- it is appropriate to offer students a wide range of choices to suit activities
- it ensures students observe health and safety standards
- it eliminates competition for brand name and 'fad' clothing, as well as the wearing of inappropriate clothes and accessories

The Governing Council has approved the Uniform and expects compliance by students. Support from parents and staff is essential in ensuring its compliance.

### Implementation of the dress code uniform

While it is expected that students will comply with the dress code, the Principal may exempt students upon written request from a parent/guardian. If approved the student will be issued with an exemption pass in accordance to the specific circumstances. Grounds on which a parent/guardian may seek exemption are:

- religious, cultural or ethnic
- itinerant students
- financial hardship
- medical reasons supported by a doctor's statement
- other grounds determined by the Governing Council
