## Invite to School Community Meeting: 2022 Materials and Services Charges

Dear Parent/Caregiver,

The Finance Advisory Committee has determined the Materials and Services charges for 2023 to be \$510.00 plus any additional subject levies relevant to each year level. Items not essential to students learning, for example; camps and excursions will be charged separately.

The Materials and Services charges have been costed to include additional subject levies relevant to each year level that are essential to student learning.

The Department for Education has outlined a process for schools to determine Materials and Services charges for 2023 as per legislation. Section 129 of the Education and Children's Services Act 2019 (the Act) allows schools, in consultation with the governing council to charge, collect and recover a Materials and Services charge.

Valley View Secondary School's Governing Council's aim is to provide the highest quality learning environment and resources for our students, while supporting the financial circumstances for families.

The proposed Materials and Services Charges for 2023 will be discussed at the next Governing Council meeting. All members of the school community are invited to attend this meeting to join in the discussion prior to final approval, details of the meeting are listed below.

Date: Thursday 10 November 2022  
Time: 7.00pm  
Location: Arman Building  
Valley View Secondary School

In lieu of attendance at the meeting, parents/caregivers may also express their views in writing to the Principal or Chairperson of the Governing Council prior to the meeting, please email [dl.1184.info@schools.sa.edu.au](mailto:dl.1184.info@schools.sa.edu.au)

If you have any further questions or concerns regarding the 2023 M&S charges or this process, please do not hesitate to contact to school on 8360 6111.

Kind regards
